# SUBSTANCE USE AND ABUSE: SOCIOLOGICAL PERSPECTIVES (HARDBACK)

ABC-CLIO, United States, 2002. Hardback. Condition: New. Language: English. Brand new Book. While the issues of substance use and abuse have been addressed from a variety of perspectives and approaches, the fundamental social issues have not been covered in any systematic way. This book represents the first academic effort to apply major sociological theories to the field of substance use and abuse in order to provide readers with a solid knowledge base from which they may develop more informed ideas...

## Reviews

---

*I actually started off looking over this publication. It is written in easy terms instead of difficult to understand. You are going to like the way the writer wrote this ebook.*

*An extremely wonderful pdf with perfect and lucid information. Better than never, though I am quite late in starting reading this one. I realized this publication from my dad and I recommended this publication to understand.*
